Subject: Waymo; RFP No. 117 re March 15 Nevada letter
Date: Friday, July 14, 2017 3:21:21 PM

James,

We didn't close the loop on RFP No. 117 from Waymo's Set 2 RFPs before Waymo filed its pending motion to compel. That RFP seeks "DOCUMENTS sufficient to show all author(s) of and contributor(s) to the letter to Nevada authorities, 'RE: Clarification to Autonomous Technology Certification Submission,' dated on or around March 15, 2017." I understand that Wendy conveyed that there are no non-privileged documents that reflect any contribution to the letter by non-lawyers. I further understand that you and she discussed that if Uber provides the names of the non-lawyer personnel who contributed, that would resolve this RFP. Please re-confirm that that would resolve this RFP and we'll send you those names today.

Best,
Sylvia
